

Professional Correspondence

A specific factual letter requesting the records needed for reconciliation.

Illustrative demonstration

The following pages use fictional source records prepared for controlled testing. They are examples of the service output, not actual customer results or an independent professional endorsement.

The sender approves tone, position and commitments before sending.

A customer engagement starts with your actual source material, an agreed scope, and an identified reviewer. Final interpretation and release remain with the accountable person.

Synthetic invoice INV-42 records request

Professional Correspondence · review copy

Subject: Synthetic invoice INV-42 records request

Dear Moya Accounts,

Thank you for your correspondence. The records supplied for this matter state:

- Invoice INV-42 records ZAR 48000.

- The signed scope has not been supplied.

Please send the signed scope and timesheet for reconciliation.

Please let us know if any of these records need correction or if further supporting documents are available.

This draft records a documentary review request; it makes no settlement, payment, waiver or liability commitment.

Kind regards,

Nala
